

Make your promotion more impactful by customizing your Promo Cards

To create your own cards, choose from our selection of designs or design your own from scratch. To help you get started using a design template, you could do the following:

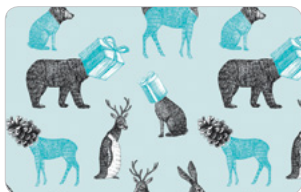

Select a design template from our library or select one of the solid colour backgrounds; then place your promotional message and business logo overtop. Here are some card examples:

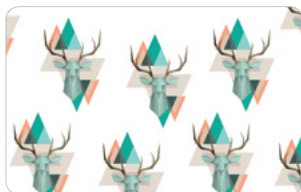

If a card contains an image or busier design, you can add one of the overlay shapes supplied and place your promotional message and logo in the shape. Here are some card examples:

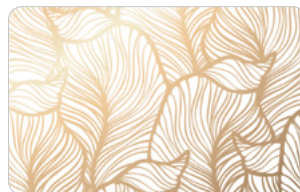

Select a design template OR select a solid colour background from our standard colour palette.
