

Terminal Restocking Fee

A Terminal Restocking Fee will apply when you return a device to us, during the term or at the end of the agreement. This terminal restocking fee will cover the operational costs associated with refurbishing these devices. The fee per device applied will be dependent on the number of devices returned as per below table:

FEE NAME	NUMBER OF DEVICES RETURNED	FEE CAD \$	BILLING METHOD
Terminal Restocking Fee	≤ 5 Devices	\$50 per Terminal	This fee is billed as a one-time fee upon by the return of the device(s).
	6 to 10 Devices	\$40 per Terminal	
	> 10 Devices	\$25 per Terminal	

The Terminal Restocking Fee would not apply under the following exceptions:

1. If Moneris requires you to swap the Terminals with other Terminals as a result of Card Brand Rules and Regulations or Data Security Standards;
2. You are categorized by Moneris as a seasonal merchant;
3. You only use the returned Terminals for special events and;
4. For any other special circumstances in Moneris' sole discretion.
