MonerisMetrics Quarterly Report

MonerisMetrics is an insightful Canadian consumer spending indicator powered by Moneris. It provides information on consumer spending activity in Canada across a range of categories by analyzing credit and debit card transaction data. The percentages cited are derived from actual sales volumes — the dollar values of credit and debit card transactions being processed by Moneris merchants — compared with sales volumes from the prior year.

1 - Biggest spending increases of Q2 (YOY)

2 - Countries with the highest contribution to foreign spending growth in Canada in Q2 (YOY)
